ROLL CALL

Meeting called to order at 6:00 PM by Ald Schissel with the following answering present to roll call: Ald Schissel, Don Jensen, Frank Stanaszek, Carl Hepp, Ken Peck, Mary Jo Lange. Bud Bessler was absent. Also in attendance were Alderperson Otto and Sgt. Glen Haase.

OPEN MEETING STATEMENT

The proper open meeting statement was read.

1) Discussion and appropriate action regarding 2-hour parking for the 3600 and 3700 blocks of Hammond Avenue. Alderperson Otto stated that a petition was submitted regarding the removal of the 2-hour parking restrictions on E. Hammond Avenue and that he sent letters out to the affected people regarding the 2-hour parking. He also stated that he received calls from people who could not attend this meeting who were opposed to the removal of the 2-hour parking. He spoke regarding the City of Madison's residential parking rules and the inconsistencies in the City code regarding the area of 2-hour parking. Alderperson Schissel read a letter from the owners of the property at 3750 E. Hammond Avenue a CBRF for 18 elderly residents, who are opposed to restricted parking on the whole block and would like 3 to 4 unrestricted parking spaces in front of their building. Lengthy discussion ensued. The petition presented was questioned as to its integrity as people present claimed they were not the people who signed and the petition was dated 2008. Chairperson Schissel asked the committee's opinion as to whether there should be a new petition to get the area resident's opinion. There was more discussion regarding Madison's program of allowing residents of the area to have a special sticker to park in front of their home longer than the 2-hour parking restriction.

MOTION BY DON JENSEN, SECOND BY KEN PECK to send questionnaire out to all households in the 3600 and 3700 block of Hammond Ave asking if they are in favor or against removal of the 2-hour parking restriction and to have City Attorney Eberhardy review the sticker language based on the Madison ordinance. Motion carried unanimously.

2) Discussion and necessary action regarding No Parking in the 3700 block of E. Pulaski Avenue (even side of street), as requested by a citizen. It was noted that there currently are no parking restrictions in this area. The majority of the property owners present at the meeting indicated that they were not in favor of any parking restrictions on their block. **MOTION BY CARL HEPP, SECOND BY KENNETH PECK** to leave the parking on 3700 block of Pulaski Avenue as is. Motion carried unanimously.

3) **MOTION BY KENNETH PECK, SECOND BY MARY JO LANGE** to adjourn at 6:40 P.M.

Mary Schissel,
Committee Chairman
